ABOUT THE LUNCHEON

The Celebration of Impact Luncheon brings together a peerless audience of technology and business executives who are committed to sustaining and improving the lives of individuals in our community. Our goal to raise \$100,000 will help over 100 students join one of our workforce development programs in Southern Nevada, ITWorks and CXWorks.

WHY SPONSOR

Your sponsorship dollars keep Tech Impact's workforce training programs free of charge to our students, while also supporting capacity building and educational opportunities for nonprofits around the country.

In addition, sponsorship provides exclusive exposure to network with the region's top technology leaders from some of the largest and most respected businesses and organizations. Sponsors benefit from event signage promotion and recognition to the audience, all in support of a wonderful cause.
