**Democracy
is a verb.**

MISSION

Mikva Challenge works to develop youth to be empowered, informed, and active citizens who will promote a just & equitable society.

We envision a stronger, more inclusive democracy that values the power of youth voice.

OUR WORK

We work with young people and for young people by partnering with educators, elected officials, and policymakers to amplify youth voice and action.

Through direct youth programming, professional development workshops, and our innovative curriculum, we prepare youth to participate in democracy and shape their own destiny.
